Dear Mrs Weisberg

I received Post Mortem and have begun to thoroughly read it. It is outstanding!

Also I enjoyed your note. To take that time was very touching.

I would like to order Photographic Whitewash; please send to

I would like to express my gratitude to you & Mr. Weisberg for all the hard work and especially your desire to have all the information available to all the American people, even when suppressed by our gov't. We are in your debt forever! I know it had to be discouraging and heartbreaking to be so ill treated by our gov't. and officials who are supposed to be "for the people." You have both greatly served the well being of the American public and "Truth." You are greatly appreciated.

Always your friend,

David Gatch
